I want to be rich  
And I want lots of money  
I don't care about clever  
I don't care about funny  
I want loads of clothes  
And fuck loads of diamonds  
I heard people die  
While they are  
Trying to find them

I'll take my clothes off  
And it will be shameless  
'Cause everyone knows  
That's how you get famous  
I'll look at the sun  
And I'll look in the mirror  
I'm on the right track  
Yeah, I'm on to a winner

I don't know what's right  
And what's real anymore  
I don't know how  
I'm meant to feel anymore  
When we think it will  
All become clear  
'Cause I'm being  
Taken over by fear

Life's about film stars  
And less about mothers  
It's all about fast cars  
And passing each other  
But it doesn't matter  
Cause I'm packing plastic  
And that's what makes my life  
So fucking fantastic

And I am a weapon  
Of massive consumption  
And it's not my fault  
It's how

I'm program to function  
I'll look at the sun  
And I'll look in the mirror  
I'm on the right track  
Yeah, I'm on to a winner

I don't know what's right  
And what's real anymore  
I don't know how  
I'm meant to feel anymore  
When we think it will  
All become clear  
'Cause I'm being  
Taken over by fear

Forget about guns  
And forget ammunition  
Cause I'm killing them all  
On my own little mission  
Now I'm not a saint  
But I'm not a sinner  
Now everything is cool  
As long  
As I'm getting thinner

I don't know what's right  
And what's real anymore  
I don't know how  
I'm meant to feel anymore  
When we think it will  
All become clear  
'Cause I'm being  
Taken over by fear
