It's about life (life..life..life..life)
It's about fun (fun..fun..fun..fun)

I hate you,
I loved you,
I just can't remember to forget you,
who are you?
who need you?
You make me feel alive
I die, so high
I'm crawling on the ground and I found I can't fly

One of these days it all comes together
One of those days that goes on forever

It's about life,
It's about fun,
It's over before it has begun

Think it sounds crazy?
Mabye, whatever
What's it all about?

It's about life,
It's about fun,
It's over before it has begun
It's about you,
It's about me,
It's about everything between and I say,
I say goodbye to you
I say how do, with no clue
It's about time that I
make up my mind

Time, is creeping behind me, surrounding around me
fearing the words so despretly
Now, give me a reason
that I can belive in
Time is something you can't rewind

One of these days it all comes togeather
One of those days that goes on forever
Think it sounds crazy?
Mabye, whatever
What's it all about?
