How far do
You see this oh
My truth is spoken whether
Or not you want to hear it
I'm sorry,
I worry though
Don't you ever say never
Or turn away
Say it all but not at all
Don't want to hear what you're really feeling
Forsaking the meaning
Take away the words I say
Realistic thoughts that I'm dreaming
Are you believing
Tell me what I wanna hear
Your teasing,
Misleading me
Where do you think we're going
Or leading me
I'm restless
Can't break you down
Though I know I don't know nothing
One day you may believe it
Say it all but not at all
Don't want to hear what you're really feeling
Forsaking the meaning
Take away the words I say
Realistic thoughts that I'm dreaming
Are you believing

Don't stray too far
The closer you are
The further the pain will fade away
I don't really care where you are
It will be either here or far
All and all this feeling
Will bring you home my man
So you say
Don't turn away
So you say
Don't turn away
So you stay

Don't turn away
Say it all but not at all
Don't want to hear what you're really feeling
Forsaking the meaning
Take away the words I say
Realistic thoughts that I'm dreaming
Are you believing
Tell me what I wanna hear
Say it all but not at all
(It will be either here or far)
Take away the words I say
(Bring you home again)
Say it all but not at all
Don't want to hear what you're really feeling
Forsaking the meaning
