You see it you want it
This is goodbye
You want it
This is goodbye

I let you in
Gave my time
Called you a friend
Became my whole life
I never knew
You covered my eyes
Clever you
I bought into your lies

And I tried to make it right but you choose not to hear
Now it's time to say goodbye I can't force you to feel

You see it you want it forget it
This is goodbye
I don't need it I mean it
The end of my line
Lost my trust
Had enough of taking what's mine
Let it go let you know
That this is goodbye
Bye bye bye bye
This is goodbye

Now I know the truth
Played me like a game
Set me up have you not shame
Now I see why you took control
You hold me back so I'd have nothing at all

And I tried to make it right but you choose not to hear
Now it's time to say goodbye I can't force you to feel

You see it you want it forget it
This is goodbye
I don't need it I mean it
The end of my line

Lost my trust
Had enough of taking what's mine
Let it go let you know
That this is goodbye
Bye bye bye bye
This is goodbye

Oh when the lights go
Oh when the flame blows out who will be there
Oh when the lights go
Who will remain close by to wipe your tears
