tomorrow just another day
another way
to spend my day
all by my self
starin at the tv screen
flipping through my magazine
everything is unclear
i need you hear do

and i wake up
put on my make up
pick up the phone
nobodys home
i need to break out
give me some take out
standing side the crowd
i wanna scream out loud
i'll be ok
i'll be ok

walking down this whining road
raining days are all unknown
i have hit the ground
staring up into the sky
countin all the reasons why
my mind is spinning around
i need to breath dooo

so,i wake up
put on my make up
pick up the phone
nobodys home
and i need to break out
give me some take out
standing side the crowd
i wanna scream out loud

i'll be ok

get off from the floor
i just can't take anymore
leave that all behind

just get along

nah nah nah nah
nah nah nah nah
nah nah nah oohhh

oh, i wake up
put on my make up
pick up the phone
nobodys home
and i need to break out
give me some take out
standing side the crowd
i wanna scream out loud
i'll be ok
i'll be ok

oh, i wake up
put on my make up
pick up the phone
nobodys home
and i need to break out
give me some take out
standing side the crowd
i wanna scream out loud

i need to break out!!
were ok were alright
were ok we'll be alright

tomorrow just another day
another way
to spend my day
