It's five o'clock
In the morning
Conversation got boring
You said you'd go
Into bed soon
So I snuck off
To your bedroom

And I thought
I'd just wait there
Untill I heard you
Come up the stairs
And I pretended
I was sleeping
And I was hoping
You would creep in
With me

Put your arm
Around my shoulder
And it was
As if the room
Got colder
And we moved closer
In together
Started talking about
The weather

Said tomorrow
Would be fun
We could watch
A place in the sun
I didn't know
Where this was going
When you kissed me

Are you mine?
Are you mine?
Cause I stay here
All the time
Watching tele

Drinking wine
Who'd of known?
Who'd of known?
When you'd flash up
On my phone
I'd no longer
Feel alone
No longer
Feel alone

I haven't left here
For days now
And I'm becoming
Amazed how
You're quite
Affectionate in public
In fact your friend
Said it made her
Feel sick
And even though
It's moving forward
There's just the right
Amount of awkward
And today
You accidentally
Called me baby

Are you mine?
Are you mine?
Cause I stay here
All the time
Watching tele
Drinking wine
Who'd of known?
Who'd of known?
When you'd flash up
On my phone
I'd no longer
Feel alone

Let's just stay
Let's just stay
I wanna lie in bed
All day
We'll be laughing
All the way
You told your friends
They all know
We exist
But we're
Taking it slow

Now let's just see
How we go
Now let's see
How we go

Let's just stay
Let's just stay
I wanna lie in bed
All day
We'll be laughing
All the way
You told your friends
They all know
We exist
But we're
Taking it slow
And let's just see
How we go
Now let's see
How we go
