Get a load of me get load of you  
Walking down the street and I hardly know you (and i  
hardly know you)  
It's just like we were meant to be  
Holding hands with you and were out at night  
Got a girlfriend you say it isn't right  
And I've got someone waiting too

What is it, it's just the beginning  
We're already wet and we're gonna go swimming

Why can't I breathe whenever I think about you  
Why can't I speak whenever I talk about you  
It's inevitable it's the fact that we're get down to it so  
tell me  
Why can't I breathe whenever I think about you (repeat  
4x)

Isn't this the best part of breaking up  
Finding someone else you can't get enough of  
Someone who wants to be with you too  
It's an itch we know we are gonna scratch  
Gonna take a while for this egg to hatch  
But wouldn't it be beautiful

Here we go, we're at the beginning  
We haven't fucked yet but my head's spinning

Why can't I breathe whenever I think about you  
Why can't I speak whenever I talk about you  
It's inevitable it's the fact that we're get down to it so  
tell me  
Why can't I breathe whenever I think about you

High enough for you to make me wonder, where it's  
going  
High enough for you to pull me under, something's  
growing  
Out of this that we can't control, baby I am dying

Why can't I breathe whenever I think about you  
Why can't I speak whenever I talk about you

Why can't I breathe whenever I think about you  
Why can't I speak whenever I talk about you  
It's inevitable it's the fact that we're get down to it so  
tell me  
Why can't I breathe whenever I think about you (repeat  
4x)
