I want to be rich
And I want lots of money
I don't care about clever
I don't care about funny
I want loads of clothes
And fuck loads of diamonds
I heard people die
While they are
Trying to find them

I'll take my clothes off
And it will be shameless
'Cause everyone knows
That's how you get famous
I'll look at the sun
And I'll look in the mirror
I'm on the right track
Yeah, I'm on to a winner

I don't know what's right
And what's real anymore
I don't know how
I'm meant to feel anymore
When we think it will
All become clear
'Cause I'm being
Taken over by fear

Life's about film stars
And less about mothers
It's all about fast cars
And passing each other
But it doesn't matter
Cause I'm packing plastic
And that's what makes my life
So fucking fantastic

And I am a weapon
Of massive consumption
And it's not my fault
It's how
I'm program to function

I'll look at the sun
And I'll look in the mirror
I'm on the right track
Yeah, I'm on to a winner

I don't know what's right
And what's real anymore
I don't know how
I'm meant to feel anymore
When we think it will
All become clear
'Cause I'm being
Taken over by fear

Forget about guns
And forget ammunition
Cause I'm killing them all
On my own little mission
Now I'm not a saint
But I'm not a sinner
Now everything is cool
As long
As I'm getting thinner

I don't know what's right
And what's real anymore
I don't know how
I'm meant to feel anymore
When we think it will
All become clear
'Cause I'm being
Taken over by fear
