When you first left me I was wanting more,
But you were fucking that girl next door, what cha do
that for (what cha do that for),
When you first left me I didn't know what to say,
I never been on my own that way, just sat by myself all
day.

I was so lost back then,
But with a little help from my friends,
I found a light in the tunnel at the end,
Now you're calling me up on the phone,
So you can have a little whine and a moan,
And it's only because you're feeling alone.

At first when I see you cry,
Yeah it makes me smile, yeah it makes my smile,
At worst I feel bad for a while,
But then I just smile I go ahead and smile.

Whenever you see me you say that you want me back,
And I tell you it don't mean jack, no it don't mean jack,
I couldn't stop laughing, no I just couldn't help myself,
See you messed up my mental health I was quite
unwell.

I was so lost back then,
But with a little help from my friends,
I found a light in the tunnel at the end,
Now you're calling me up on the phone,
So you can have a little whine and a moan,
And it's only because you're feeling alone.

At first when I see you cry,
Yeah it makes me smile, yeah it makes my smile,
At worst I feel bad for a while,
But then I just smile I go ahead and smile.

At first when I see you cry,
Yeah it makes me smile, yeah it makes my smile,
At worst I feel bad for a while.
