I am finding out that maybe I was wrong
That I've fallen down and I can't do this alone

She says she's no good with words but I'm worse
Barely stuttered out

Am I more than you bargained for yet
I've been dying to tell you anything you want to hear

You've got this new head filled up with smoke.
I got my veins all tangled close,

Oh oh... [3x]

All my believers satisfied with me
A new day's marching through the war

I've looked for love in stranger places,
But never found someone like you.

Baby, Seasons change but people don't
And I'll always be waiting in the back room

I've been waiting for a good day
I've been holding back long enough

Oh oh... [3x]
