I was stupid  
This was your fault  
It was terrible  
Electrical volt  
I just don't know why I'm high up  
I just am tired of this f#ck

It's all because of you  
It's your fault not mine  
All because of you  
you you you

I was idiotic  
Because of you  
Looking dapper  
I got the flu  
I just don't know why I'm high up  
I just am tired of this f#ck

It's all because of you  
It's your fault not mine  
All because of you  
you you you

This is crazy  
(you wrecked my life)  
Just 'cause you were lazy  
(you should of thought twice)  
You didn't know the shit  
It blew on you like a hit  
You're not a man  
I think your damned!

It's all because of you  
It's your fault not mine  
All because of you  
you you you

It's all because of you  
It's your fault not mine  
All because of you  
you you you

(why'd you go and wreck my life?)  
Because of you
