Look inside
Look inside your tiny mind
Now look a bit harder
Cause we're so uninspired, so sick and tired of all the
hatred you harbor

So you say
It's not okay to be gay
Well I think you're just evil
You're just some racist who can't tie my laces
Your point of view is medieval

F*ck you
F*ck you very, very much
Cause we hate what you do
And we hate your whole crew
So please don't stay in touch

F*ck you
F*ck you very, very much
Cause your words don't translate
And it's getting quite late
So please don't stay in touch

Do you get
Do you get a little kick of being slow minded?
You want to be like your father
It's approval your after
Well that's not how you find it

Do you
Do you really enjoy living a life that's so hateful?
Cause there's a hole where your soul should be
Your losing control of it and it's really distasteful

F*ck you
F*ck you very, very much
Cause we hate what you do
And we hate your whole crew
So please don't stay in touch

F*ck you
F*ck you very, very much
Cause your words don't translate and it's getting quite
late
So please don't stay in touch

Look inside
Look inside your tiny mind
Now look a bit harder
Cause we're so uninspired, so sick and tired of all the
hatred you harbor

F*ck you
F*ck you very, very much
Cause we hate what you do
And we hate your whole crew
So please don't stay in touch

F*ck you
F*ck you very, very much
Cause your words don't translate and it's getting quite
late
So please don't stay in touch
