Look inside,
Look inside your tiny mind
Now look a bit harder
Cause we're so uninspired,
so sick and tired of all the
hatred you harbor

So you say
It's not okay to be gay
Well I think you're just evil
You're just some racist who
can't tie my laces
Your point of view is medieval

F*ck you (F*ck you)
F*ck you very, very much
Cause we hate what you do
And we hate your whole crew
So please don't stay in touch

F*ck you (F*ck You)
F*ck you very, very much
Cause your words don't translate
And it's getting quite late
So please don't stay in touch

Do you get,
Do you get a little kick out of
being slow minded?
You want to be like your father
It's approval your after
Well that's not how you find it

Do you,
Do you really enjoy living a
life that's so hateful?
Cause there's a hole where
your soul should be
Your losing control of it and
it's really distasteful

F*ck you (F*ck You)

F*ck you very, very much
Cause we hate what you do
And we hate your whole crew
So please don't stay in touch

F*ck you (F*ck You)
F*ck you very, very much
Cause your words don't
translate and it's getting
quite late
So please don't stay in touch

F*ck you, F*ck you, F*ck you,
F*ck you, F*ck you, F*ck you,
F*ck yooooou

You say
You think we need to go to war
well you're already in one
Cause it's people like you
who need to get slew
No one wants your opinion

F*ck you (F*ck You)
F*ck you very, very much
Cause we hate what you do
And we hate your whole crew
So please don't stay in touch

F*ck you (F*ck You)
F*ck you very, very much
Cause your words don't
translate and it's getting
quite late
So please don't stay in touch

F*ck you, F*ck you
F*ck you, F*ck you
F*ck you, F*ck you
