Look inside, look inside your tiny mind
Then look a bit harder
Cos we're so uninspired
So sick and tired of all the hatred you harbour
So you say, it's not okay to be gay
Well I think you're just evil
You're just some racist
Who can't tie my laces
You're point of view is medevil
Fuck you, fuck you very very much
Cos we hate what you do
And we hate your whole crew
So please don't stay in touch
Fuck you, fuck you very very much
Cos your words don't translate
And it's getting quite late
So please don't stay in touch
Do you get, do you get
A little kick out of being small minded
You want to be like your father
His approval your after

Well that's not how you'll find it
Do you, do you really enjoy
Living a life that's so hateful
Cos there's a hole where your soul should be
You're losing control of it
And it's really distasteful
Fuck you, fuck you very very much
Cos we hate what you do
And we hate your whole crew
So please don't stay in touch
Fuck you, fuck you very very much
Cos your words don't translate
And it's getting quite late
So please don't stay in touch
Look inside, look inside your tiny mind
Then look a bit harder
Cos we're so uninspired
So sick and tired of all the hatred you harbour
Fuck you, fuck you very very much
Cos we hate what you do
And we hate your whole crew
So please don't stay in touch
Fuck you, fuck you very very much
Cos your words don't translate
And it's getting quite late

So please don't stay in touch
