Riding through the city on my bike all day
Cause the filth took away my licence
It doesn't get me down and I feel ok
Cause the sights that I'm seeing are priceless

Everything seems to look as it should
But I wonder what goes on behind doors
A fella looking dapper, and he's sittin with a slapper
Then I see it's a pimp and his crack whore

You might laugh you might frown
Walkin' round London town

Chorus
Sun is in the sky oh why oh why ?
Would I wanna be anywhere else
Sun is in the sky oh why oh why ?
Would I wanna be anywhere else

When you look with your eyes
Everything seems nice
But if you look twice
you can see it's all lies

There was a little old lady, who was walkin down the
road
She was struggling with bags from Tesco
There were people from the city havin lunch in the park
I believe that it's called al fresco
Then a kid came along to offer a hand

But before she had time to accept it
hits her over the head, doesn't care if she's dead
Cause he's got all her jewelery and wallet

You might laugh you might frown
walkin round London town

Chorus
Sun is in the sky oh why oh why ?
Would I wanna be anywhere else
Sun is in the sky oh why oh why ?

Would I wanna be anywhere else

When you look with your eyes
Everything seems nice
But if you look twice
you can see it's all lies

Life, that's city life, yeah that's city life, that's city life
Life, that's city life, yeah that's city life, that's city life

Chorus

Sun is in the sky oh why oh why ?
Would I wanna be anywhere else
Sun is in the sky oh why oh why ?
Would I wanna be anywhere else

When you look with your eyes
Everything seems nice
But if you look twice
you can see it's all lies
