Sun is shinin' in the sky  
There ain't a cloud in sight  
It's stopped rainin'  
Everybody's in a play  
And don't you know  
It's a beautiful new day, ay, ay, ay

Runnin' down the avenue  
See how the the Sun shines brightly in the city  
On he streets where once was pity  
Mister Blue Sky is living here today, ay, ay, ay

Mister Blue Sky  
Please tell us why  
You had to hide away for so long  
Where did we go wrong? (x2)

Hey you with the pretty face  
Welcome to the Human race  
A Celebration  
Mister Blue Sky's up there waitin  
And today is the day we've waitin for, oh, oh, oh

Mister Blue Sky  
Please tell us why  
You had to hide away for so long  
Where did we go wrong?

Hey Hey Mister Blue  
We're so pleased to be with you  
Look around, see what you do  
Everybody smiles at you (x2)

Mister Blue Sky, Mister Blue Sky

Mister Blue  
You did it right  
But soon comes Mister Night  
Creepin' over  
Now his hand is on your shoulder  
Never mind  
I'll remember you this

I'll remember you this

Mister Blue Sky  
Please tell us why  
You had to hide away for so lon  
Where did we go wrong? (x2)

Hey Hey Mister Blue  
We're so pleased to be with you  
Look around, see what you do  
Everybody smiles at you
