Sun is shinin' in the sky
There ain't
A cloud in sight
It's stopped rainin'
Ev'rybody's in a play
And don't you know
It's a beautiful new day
Hey, hey, hey

Runnin' down the avenue
See how the sun shines
Brightly in the city
On the streets
Where once was pity
Mister blue sky
Is living here today
Hey, hey, hey

Mister blue sky
Please tell us why
You had to hide away
For so long
Where did we go wrong? (2x)

Hey, you
With the pretty face
Welcome
To the human race
A celebration
Mister blue sky's up
There waitin'
And today is the day
We've waited for
Ho, ho, ho

Mister blue sky
Please tell us why
You had to hide away
For so long
Where did we go wrong?

Hey there mister blue

We're so pleased
To be with you
Look around
See what you do
Everybody
Smiles at you (2x)

Mister blue sky
Mister blue sky
Mister blue sky

Mister blue
You did it right
But soon comes
Mister night
Creepin' over
Now his hand
Is on your shoulder
Never mind
I'll remember you this
I'll remember you this

Mister blue sky
Please tell us why
You had to hide away
For so long
Where did we go wrong? (2x)

Hey there mister blue
We're so pleased
To be with you
Look around
See what you do
Ev'rybody smiles at you
