It's five o'clock  
In the morning  
Conversation got boring  
You said you'd go  
Into bed soon  
So I snuck off  
To your bedroom

And I thought  
I'd just wait there  
Until I heard you  
Come up the stairs  
And I pretended  
I was sleeping  
And I was hoping  
You would creep in  
With me

Put your arm  
Around my shoulder  
And it was  
As if the room  
Got colder  
And we moved closer  
In together  
Started talking about  
The weather

You said tomorrow  
Would be fun  
We could watch  
A place in the sun  
I didn't know  
Where this was going  
When you kissed me

Are you mine?  
Are you mine?  
Cause I stay here  
All the time  
Watching telly  
Drinking wine

Who'd have known?  
Who'd have known?  
When you'd flash up  
On my phone  
I'd no longer  
Feel alone  
No longer  
Feel alone

I haven't left here  
For days now  
And I'm becoming  
Amazed how  
You're quite  
Affectionate in public  
in fact your friend

Said it made her  
Feel sick  
And even though  
It's moving forward  
There's just the right  
Amount of awkward  
And today  
You accidentally  
Called me baby

Are you mine?  
Are you mine?  
Cause I stay here  
All the time  
Watching telly  
Drinking wine  
Who'd have known?  
Who'd have known?  
When you'd flash up  
On my phone  
I'd no longer  
Feel alone

Let's just stay  
Let's just stay  
I wanna lie in bed  
All day  
We'll be laughing  
All the way  
You told your friends  
They all know  
We exist  
But we're  
Taking it slow

Now let's just see  
How we go  
Now let's see  
How we go

Let's just stay  
Let's just stay  
I wanna lie in bed  
All day  
we'll be laughing  
All the way  
You told your friends  
They all know  
We exist  
But we're  
Taking it slow  
And let's just see  
How we go  
Now let's see  
How we go
