It's five o'clock in the morning
The conversation got boring
You said you're going to bed soon
So I snuck off to your bedroom

And I thought I'd just wait there
Until I heard you come up the stairs
And I'd pretend that I was sleeping
And I was hoping you would creep in, with me

You put your arm around my shoulder,
And it was as if the room got colder,
And we moved closer in together,
Started talking about the weather
Said tomorrow would be fun
And we could watch a place in the sun
I didn't know where this was going, when you kissed
me

CHORUS

Are you mine? Are you mine?
'Cause I stay here all the time
Watching teli, drinking wine..

Who'd've known, who'd've known
When you flash upon my phone,
I'd no longer feel alone,
No longer feel alone

I haven't left you for days now
And I'm becoming amazed how
You're quite affectionate in public
In fact your friend said it made her feel sick
And even though it's moving forward

It's just the right amount of awkward
And today you accidentally called me baby

CHORUS

Are you mine? Are you mine?
'Cause I stay here all the time
Watching teli, drinking wine...

Who'd've known, who'd've known
When you flash upon my phone,
I'd no longer feel alone,

Let's just stay, let's just stay,
I wanna lie in bed all day,
We'll be laughing all the way

I told your friends, they all know,
We exist, but we're taking it slow
Now let's just see how it goes,
Now let's see how we go

Are you mine? Are you mine?
'Cause I stay here all the time
Watching teli, drinking wine...

Who'd've known, who'd've known
When you flash upon my phone,
I'd no longer feel alone,

Let's just stay, let's just stay,
I wanna lie in bed all day,
We'll be laughing all the way

I told your friends, they all know,
We exist, but we're taking it slow
Now let's just see how it goes,
Now let's see how we go
