So what if I came clean
And told you all you mean to me
And so what if I meant every word I said
Don't let it go to your head

So what if I write your name
'cause you're always on my brain
In a heart I paint a cribbs of red
Baby, don't let it go to your head

Don't be getting any big ideas
Let me make it clear

Just 'cause I can't go on
Just 'cause I die when you're gone
Just 'cause I think of you in bed
Don't let it go to your head
If I looked in your eyes
One, two, too many times
Memorised every word you said
Don't let it go to your head
Oh oh
Don't let it go to your head
Oho oh

So what if I want to kiss
From you're toes up to your lips
It don't mean that you had me yet
You gotta be good I bet

I'm the one who's in control here
Let me make it clear

Just 'cause I can't go on
Just 'cause I die when you gone
Just 'cause I think of you in bed
Don't let it go to your head
If I looked in your eyes
One, two, too many times
Memorized every word you said
Don't let it go to your head

Oh oh
Don't let it go to your head
Oh oh

Now you think you got me
Well I'm gonna get you
Now you think you can touch me
Well I'm gonna let you

Just 'cause I can't go on
Just 'cause I die when you gone
Just 'cause I think of you in bed
Don't let it go to your head

Just 'cause I can't go on
Just 'cause I die when you gone
Just 'cause I think of you in bed
Don't let it go to your head
If I looked in your eyes
One, two, too many times
Memorized every word you said
Don't let it go to your head
Oh oh
Don't let it go to your head
Oh oh

Don't let it go to you head
Oh oh
Don't let it go to your head
Oh oh
