Iâ€™m drowning honey, I know itâ€™s hard for you to see
Satisfy me, and let go of me
Searching endlessly but you are here to leave

Iâ€™m going blind, Iâ€™m going blind
Iâ€™m going under, underground
Iâ€™m going blind, Iâ€™m going blind
I want to find my sweet divine

These sheets protecting me, unables me to see
Satisfaction causes a chain reaction
When youâ€™re not here with me
I just wanna close my eyes and scream and shout

And hit the wall as brakers and Iâ€™m there

Iâ€™m going blind, Iâ€™m going blind
Iâ€™m going under, underground
Iâ€™m going blind, Iâ€™m going blind
I want to find my sweet divine

Please stay, please stay
Another song, give me your reason
Iâ€™m going blind

Iâ€™m going blind, Iâ€™m going blind
Iâ€™m going under, underground
Iâ€™m going blind, Iâ€™m going blind
I want to find my sweet divine
