He's a perfect heartbreaker with a beautiful face
Girls of money all over the place

Nevermind the boss has got a car
he can go and get you wherever you are

If you had a fight, it doesn't mean a thing
he'll just buy you a big, fat diamond ring -

I - I'm tired of all your lies
I see through your disguise
ye-ye-ye

How does it feel to be hit by a girl
when you're a big, strong guy in a problemfree world -
you know
I don't care at all
you so deserve to fall

He's like there's a girl she's pretty too
Let's go get her before others do

If she wanna do as I say
I can just dump her anywhere

If you had a fight, it doesn't mean a thing
he'll just buy you a big, fat diamond ring -
I - I'm tired of all your lies
I see through your disguise
ye-ye-ye

How does it feel to be hit by a girl
when you're a big, strong guy in a problemfree world -
you know
I don't care at all
you so deserve to fall

You're hit by a girl
Ooh baby in your problemfree world

How does it feel to be hit by a girl
when you're a big, strong guy in a problemfree world -

you know
I don't care at all
you so deserve to fall

How does it feel to be hit by a girl
when you're a big, strong guy in a problemfree world -
you know
I don't care at all
you so deserve to fall

He's like there's a girl she's pretty too
Let's go get her before others do
