(Verse 1)
Ever since we hooked up,
Got me all jacked up
Callin' you all the time
Dang!
Why you on my mind?
You showed up at the right time.
Oh..

I didn't wanna fall in love
Couldn't find the one to trust
Til' ya came along,
Now ya all I want
What about you? (Baby, what about you?)
Do ya feel the same too? (Do you feel the same?)
Do you?

(Chorus)
You've got that.. da na na na
Where my kicks at?
Cus you know you've got me glidin' glidin' glidin'
You know you got me glidin' glidin' glidin'

You've got that.. da na na na
Where my kicks at?
Cus you know you've got me glidin' glidin' glidin'
Your lovin' got me glidin' glidin' glidin'

(Verse 2)
I know were still brand new

But cha got me so..
Oooh..
Know that with the latest moves (Ain't that the truth?)
You're all I need..
You make me so complete.. (Oh oh)

You're my superhero
I like it how ya take control
Come and save me baby, where ya cap at?
Boy let's go..
Cus I want ya to know

(Chorus)
You've got that.. da na na na
Where my kicks at?
Cus you know you've got me glidin' glidin' glidin'
You know you got me glidin' glidin' glidin'

You've got that.. da na na na
Where my kicks at?
Cus you know you've got me glidin' glidin' glidin'
Your lovin' got me glidin' glidin' glidin'

I here ya lovin' callin' for me..
It's got me goin' crazy, crazy
So let me be your lady, baby.. (???)
I'm all yours.. (Yes)

(Missy Elliot)
Shimmy shimmy
Shine shine
Yes, he all mine mine
Love you all the time time
Oh, your dreamy eyes
Well you got me hypnotized
Boy you make me glide
Wonder woman ain't got nothin' on me
Please believe that my love makes it hard to leave

Chorus (2x)
