VERSE 1

Reasons, I can't find the reasons
To why on earth I act this way
I can't relate to anybody
Fearing, I lower defence again
Running through my fingers
I just hold my breath and count to ten, wo!

BRIDGE 1

Have I really got control of myself?
Have I really got control on myself?

CHORUS 1

I'm so afraid of you, wo oh!
I don't know what I'm doing
I'm totally infatuated with you
It's gonna end in ruin

VERSE 2

So what's the meaning of what I'm revealing
To you and you alone I lay
The burdens of my heart, I say, are bleeding
And can't you remember them?
Move across to touch my hand
Controller of my soul again, oh!

BRIDGE 2

Have I really got control of myself?
Have I really got control on myself?

CHORUS 2

I'm so afraid of you, wo oh!
I don't know what I'm doing
I'm totally infatuated with you
It's gonna end in ruin
I'm so afraid of you, wo oh!
I don't know what I'm doing
I'm totally I'm totally afraid of you
It's gonna end in ruin

CHORUS 3

I'm so afraid of you, wo oh!

I don't know what I'm doing
I'm totally infatuated with you
It's gonna end in ruin
I'm so afraid of you, wo oh!
I don't know what I'm doing
I'm totally infatuated with you
It's gonna end in ruin
I'm so afraid of you, wo oh!
I don't know what I'm doing
I'm totally infatuated with you
It's gonna end in ruin
