There's a calm surrender  
To the rush of day  
When the heat of rolling wind  
Can't be turned away  
An enchanted moment  
And it sees me through  
It's enough for this restless warrior  
Just to be with you

### CHORUS

And can you feel the love tonight?  
It is where we are  
It's enough for this wide eyed wanderer  
That we've got this far

And can you feel the love tonight?  
How it's led to rest  
It's enough to make kings and vagabonds  
Believe the very best  
There's a time for everyone  
If we only learn  
That the twisting kaleidoscope  
Moves us all in turn

There's a rhyme and reason  
To the wild outdoors  
When the heart of this star-crossed voyager  
Beats in time with yours  
Repeat CHORUS  
And can you feel the love tonight  
How it's led to rest?  
It's enough to make kings and vagabonds  
Believe the very best  
It's enough to make kings and vagabonds  
Believe the very best
