(VERSE 1)

(Off shore) Either sink or swim  
(I saw) What kind of boat IÂ'm in  
(Much more) Although I canÂ't forget you  
The light is growing dim

(BRIDGE 1)

Feet are falling on foreign ground  
Luck in short supply  
I feel like Crusoe before him found  
All gone pass me by  
I walk on beach, I sleep on sand  
I walk in water, salty sea got a hold on me  
Daylight come, be it now or never

(CHORUS 1)

Lost on some horizon  
No man is an island  
(No man is an island)  
(No man is an island)

(VERSE 2)

(Jackdaw) He donÂ't bother me  
(Wild boar) He keep me company  
(Panther) My only consolation  
In my calamity

(BRIDGE 2)

Lady Luck or Lady Death  
Must pass this shore some day  
I hope sheÂ's coming, I ainÂ't seen her yet  
Come to take my soul away  
Light my fire on the top of hill  
So all the ships can see that IÂ'm a prisoner here  
And come before I disappear

(CHORUS 2)

Lost on some horizon  
No man is an island  
Banished here to prolong my silence  
No man is an island  
(No man is an island)

(No man is an island)  
(No man is an island)  
(No man is an island)

MIDDLE VERSE

(No man is an island)  
(No man is an island)  
(No man is an island)  
(No man is an island)  
(No man is an island)  
(No man is an island)  
(No man is an island)
