Always wanted a lover of my own  
Someone special to hold me tight and keep me warm  
Baby a wonderful things happened to you and I

Is there a word that can describe  
Falling in love just overnight

### CHORUS

I believe in miracles  
Let's get together again  
Anything is possible  
Let's get together again  
Let's get together again  
Let's get together again

So baby hear when I say  
I've been a million miles  
Lonely hungry and cold searching for the golden prize  
Now you're finally here and I can feel the fire

It's burning strong inside my soul  
And I'm never gonna let you go

Repeat CHORUS

Just like in a movie it was love at first sight  
It's the perfect scene and the sweetest dream I've  
waited all my life  
Let's go to the highest mountain and shout it to the  
world  
Never give up because there's something waiting  
somewhere

### CHORUS

I believe in miracles  
Never give up don't you never ever  
Anything is possible  
Never give up because there's something waiting  
somewhere

Repeat and fade.
