(INTRO)

How many times do we have to fight
Again?
(This time
We will learn our lesson well)

(VERSE 1)

Every time we argue
You know it hurts me to the core
Shouting will solve nothing
We've got to try and keep control

(BRIDGE 1)

How many times do we have to say
We're sorry?

(CHORUS 1)

Maybe this time
We will learn our lesson well
This time
We can put it to the test
Maybe this time
Wo oh this time we'll learn our lesson
(Ooh! Ooh! Ooh!)
(Ooh! Ooh! Ooh!)

(VERSE 2)

Every couple I know
Seem to have their ups and downs
So it's really not a problem
We've got to simply work it out

(BRIDGE 2)

How many times do we have to fight
Again?

(CHORUS 2)

Maybe this time
We will learn our lesson well

This time
We can put it to the test

Maybe this time
Wo oh this time we'll learn our lesson well

(MIDDLE)

Oh baby
Wipe those tears from your eyes
Cause it's killing me
Killing me to see you cry

(BRIDGE 3)

(Maybe this time)
(Ooh ooh ooh ooh)
How many times do we have to say, yeah
We're sorry?

(FINAL CHORUS)

Maybe this time (this time)
We will learn our lesson well
Maybe this time (this time)
(We can put it to the test)
I've got a feeling it's this time
(Maybe this time)
Maybe this time
(This time)
(We will learn our lesson well)
This time
(This time)
(We can put it to the test)
Oh this time
(Maybe this time)
This time
(This time)
We will learn our lesson well
