(VERSE 1)

The frozen North sits high above the West  
Nobody lives there, only the polar bear  
The bleak terrain is no place to rest  
The howling winds, sounding so familiar

(BRIDGE 1)

Snow melting the ice away  
Snow, snow, snow... falling from miles away  
Snow falling from miles away  
Snow, snow, snow... melting the ice away

(CHORUS)

Don't shed no tears for me  
Go put your trust in someone else  
No hopes no fears for me  
Void of emotion, nobody spoils no-one's devotion

(VERSE 2)

A moment's panic, captured in a warm embrace  
Just my breath, gently blowing up at my face  
I get so restless, sleeping on a precipice  
Dreamt the snow melting the ice

(BRIDGE 2)

Snow melting the ice away  
Snow, snow, snow... melting your ice away

(CHORUS 2)

Don't shed no tears for me  
Go put your trust in someone else  
No hopes no fears for me  
Void of emotion, nobody spoils no-one's devotion  
The cold comes here for me  
This place looks like my kind of hell

(MIDDLE VERSE)

Ooooooooooh...  
Aaah! Aaah! Aaah!  
Ooooooooooooooooooh...

(FINAL CHORUS)

Don't shed no tears for me  
Go put your trust in someone else  
No hopes no fears for me  
I blame nobody but myself  
No hopes no fears  
Don't shed no tears  
Don't do no waiting for me  
No hopes no fears  
Don't shed no tears  
Don't do no waiting for me  
Don't shed no tears for me  
Go put your trust in someone else
