(VERSE 1)

I thought you had
A dreaming to fly
Until I saw
The doubt in your eye

(BRIDGE 1)

Tell you what I'll do, I'm gonna do
Get on, get on out with you now
I'll tell you what I'll do, I'm gonna do
Travel on back with you now

(CHORUS)

On a plane, you make no sound
You'll get your courage back again when we touch
down
On a plane, take my breath away
I'll watch your courage come back again when we
touch down

(VERSE 2)

Fly with me
Find peace in the clouds
The laws of gravity
Can't hold me down

(BRIDGE 2)

Tell you what I'll do, I'm gonna do
Get on, get on out with you now
I'll tell you what I'll do, I'm gonna do
Travel on back with you now
Tell you what I'll do, I'm gonna do
Get on, get on out with you now
I'll tell you what I'll do, I'm gonna do
Travel on back with you now

(REPEAT CHORUS)

On a plane, you make no sound
You'll get your courage back again when we touch
down
On a plane, take my breath away
I'll watch your courage come back again when we

touch down

(FINAL CHORUS)

On a plane, you make no sound

You'll get your courage back again when we touch
down

On a plane, take my breath away

I'll watch your courage come back again when we
touch down

(REPEAT FADING)
