(Spoken Intro)

Space cadet

Can u fix me

Am I lost

You might think that you know me, just because you  
know my name

But hang with me and you might see, that we ain't quite  
the same

Walking down the street with lots of people passing by  
I don't pay no attention, never catch their eye  
Talking revolution, in the twilight zone  
Plugged into oblivion is the place that I call home

I'm just a space cadet - and I'm proud of it  
Have you sussed me yet - I'm just a spa-a-a-a-ace  
cadet

CHORUS

I'm lost I found - and my feet are of the ground  
I'm in I'm out - I'm the magic roundabout  
I'm north I'm south - took the words right out your  
mouth  
That's why you know - I'm the Rocky Horror Show  
Took the words right out your mouth  
I took the words right out your mouth

You might think you can fix me, with a tranquiliser gun  
But you won't easily trick me, coz I ain't no prodigal son

What's the point of listening if it isn't in the groove  
I'm so kitch and slinky, always in the mood  
Don't send me no pay cheque, I won't pay no bills  
If money was no object I'd be in Beverly Hills

I'm just a space cadet - and I'm proud of it  
Have you sussed me yet - I'm just a spa-a-a-a-ace  
cadet

Repeat CHORUS

Took the words right out your mouth

I took the words right out your mouth

Repeat CHORUS

I'm lost I'm found - and my feet are off the ground  
I'm in I'm out - I'm the magic roundabout  
I'm north I'm south (that's why u know) - I took the  
words right out your mouth  
That's why you know - I'm just a spa-a-a-a-ace cadet

I took the words right out your mouth (ooh ooh)  
Took the words right out your mouth  
Took the words right out your mouth  
I took the words right out your mouth
