"Stay With Me"

You've been crying
I see it in your eyes
This fire inside our hearts
Is tearing us apart

But do we have t say goodbye

CHORUS 1

Stay with me
Baby please
There'll be ups and downs
But we'll work them all out
Stay with me

CHORUS 2

You've got to stay with me
I'll get down on my knees
The thought of loosing you
Is breaking me in two

CHORUS 3

Maybe it's not too late
Baby you know we learn by our mistakes

Repeat all CHORUS and fade.
