(VERSE 1)

Once again this love affair  
Has got me losing sleep  
Cause you and I are going nowhere  
You've got me hanging on a string

(BRIDGE 1)

Every time I say I'm leaving  
You're telling me I have no feeling  
I'm gonna give you one more chance  
Then I'm heading for the door

(CHORUS)

You better stop  
Messing around with my heart  
You better stop  
Before you tear us apart  
You better stop  
Messing around with my heart  
Before you tear love apart

(VERSE 2)

You must change your attitude  
If I decide to stay  
Tell me where's the love we entered into  
Where is the love we used to make

(BRIDGE 2)

I cannot go on pretending  
  
The misery is never ending  
I'm gonna give you one more chance  
Then I'm showing you the door

(REPEAT CHORUS)

You better stop  
Messing around with my heart  
You better stop  
Before you tear us apart  
You better stop  
Messing around with my heart  
Before you tear love apart

(SPOKEN)

Remember it's better to have loved and lost  
Then never loved at all

(REPEAT CHORUS)

You better stop  
Messing around with my heart  
You better stop  
Before you tear us apart  
You better stop  
Messing around with my heart  
Before you tear love apart
