## VERSE ONE

Life hits hard, everybody goes down  
It's getting back up that it's all about  
Never lose faith,  
You know you gonna be alright, alright alright  
If they close one door you find another  
You came this far and you gonna go further  
Gotta be strong  
Keep your eyes on the prize

## B PART

It may take some to work it all  
You're gonna get there I know

## CHORUS

Cause you can't break the heart of a survivor  
And you can't take away my will to win  
No you can't break the heart of a survivor  
I'll keep comin' back again  
Nananananana

## VERSE TWO

Gonna be times when they count you out  
You'll stay in if you never doubt  
Something called pride  
They can never turn out that light, out that light  
That light inside  
Soon you gonna find  
It's your time to shine

## B PART

You're gonna get it if you give everything  
Don't give up your dreams, yeah

## CHORUS

Cause you can't break the heart of a survivor  
And you can't take away my will to win  
No you can't break the heart of a survivor  
I'll keep comin' back again  
I'll keep comin' back again

## MIDDLE VERSE

I'll keep comin back  
Provin that  
Whatcha feel can make it happen  
Can't nothing stand in your way, hey

CHORUS

Cause you can't break a heart of a survivor  
And you can't take away my will to win  
No you can't break the heart of a survivor  
I'll keep comin' back again  
Cause you can't break the heart of a survivor  
And you can't take my will to win  
No you can't break the heart of a survivor  
I'll keep comin' back again  
I'll keep comin' back again  
Nana - nanananana...
