Turn around - look at what you see.
In her face the mirror of your dreams.
Make believe on everywhere
get it in the line.
Hidden on the pages is the answer
To a never ending story.

Reach the stars
fly a fantasy
Dream a dream and what you see will be.

Rhymes that keep their secrets will unfold behind the
clouds

And there upon the rainbow is the answer
To a never ending story
story.
Show your fear
for she may fade away
In your hands the birth of a new day.

Rhymes that keep their secrets will unfold behind the
clouds . . .
Never ending story
never ending story
never ending story . . .
