I met Michelle where I used to work,
She's still great but it didn't work, no,

People don't change
People don't change

Michelle moved back to the Great Lakes,
And she still acts just the same

'Cause people don't change
No, people don't change

No one should,
Change their play on account on someone who,
Thinks they should,
Alright!

All the lights directed at me,
Every time I come to AZ

You see we make up and then we break up,
I don't understand her,
I don't understand why,

Why people don't change
people don't change
People don't change
no, people don't change

no one should,
change their play on account on someone who,
thinks they should,

It's no secret that everyone makes unique mistakes,
I know I've made quite a few,
uh-huh, yeah

Then there's Jen, she's my friend
Still don't know how its gonna end, but

People don't change,

People don't change,
People don't change (don't change),
People don't change (don't change),
People don't change,
People don't change,
You know people stay the same,
Ooh!
