April  
We started out in Texas.  
Then I went and took a drive  
To the desert.

And I like this city  
Now that you're in it.  
Sin cities not such a bad place to visit.

CHORUS:  
I used to hate that city.  
I never liked that place, it's true.  
But now I like Sin City,  
Cause it's got you.

I used to think nothing good came from your city.  
Cause I never noticed things that we're missin'.  
October, November, and all through the New Year.  
And one, two, three, four months more.

I went Oh my Lord, Oh my Lord,  
I went Oh my Lord.  
You went Oh my Lord,  
What have I done?

But now I like your city.  
But now you like my city too.  
I like Sin City  
Cause it's got you.

I used to hate that city.  
No I hate to lie to you.  
I like Sin City  
Cause of you.

Yeah I do.

So quickly.  
You know the desert heat don't agree  
With me.  
And I like your city now.  
The people in it.

No, Sin Cities not such a bad place to visit

Ooooooh.

So now I like your city.  
Now you like my city too.  
Now I like Sin City  
Cause it's got you.

I used to hate that city.  
No, I aint gonna lie to you.  
Now I like Sin City  
Cause of you.

Yeah I do.
