(Richard Buck)

Lady, I'm calling you to say  
How much you mean to me  
Been so lonely since the day  
You left me for another guy

Baby, I never really meant  
To hurt your love for me  
And I want you to know that  
It wasn't really serious

(Pre-Chorus)

Tell me, is it just a waste of time?  
Boy, I want you to be mine, all mine  
Tell me, is it just a grand illusion?  
I think it's time we had a conversation

(Chorus)

Today is a brand new day  
Come on, let's make it last forevermore  
Let's forget about yesterday  
Whoa-oh-oh-oh, whoa-oh-oh-oh  
(Repeat Chorus)

Lady, angel of the dreams  
I had when I was lonely  
I was sleeping alone  
Thinking of you all the time

Baby, I promise you  
That I will never let you down  
You're the man of my life  
You're the one I really love

(Repeat Pre-Chorus)

(Repeat Chorus 2x)

(Instrumental Break)

(Repeat Pre-Chorus)

(Repeat Chorus and fade)
