(Denis LePage, Denyse LePage)

Oh-oh, babe, we're gonna love tonite
Oh-oh, babe, we're gonna love tonite

They said I was a loser
They said that I've been untrue
But I don't care what the others say
Babe, I'm gonna be with you
Yeah, yeah

Oh-oh, babe, we're gonna love tonite
Babe, we're gonna love tonite
Oh-oh, babe, we're gonna lover tonite

All I wanna do
Babe, it's true
Is give me love to you, just you
When I close my eyes
All I see
Is a place for you and me
Oh yes there is

Oh-oh, babe, we're gonna love tonite
Just the thought of you, babe
Oh-oh, babe, we're gonna love tonite
Making love to you, babe

(Keyboard Solo)

Oh-oh, babe, we're gonna love tonite

You're a woman like no other
You lift me when I'm down and blue
You make me care for you every day
There's no other in my life but you
Yeah, yeah

Oh-oh, babe, we're gonna love tonite
Babe, we're gonna love tonite
Oh-oh, babe, we're gonna love tonite
Yeah, yeah

Just the thought of you
Late at night
Holding on to me real tight
Knowing how it feels
The first time
Holds a place deep in my mind
Ooh-hoo

Oh-oh, babe, we're gonna love tonite
Just the thought of you, baby
Oh-oh, babe, we're gonna love tonite
All I wanna do

(Keyboard Solo)

(Instrumental Break)

Oh-oh, babe, we're gonna love tonite
Oh-oh, babe, we're gonna love tonite

We were meant for one another
Even though they say we've been untrue
The way we kiss just the other day
There could be no other love but you

We can make it right
To the night
Hold each other tight, real tight
Baby, don't you go
I need you
Stay here by my side, please do

Oh-oh, babe, we're gonna love tonite
Just the thought of you, baby
Oh-oh, babe, we're gonna love tonite
Yeah, we're gonna love tonite

(Keyboard Solo)
