(Repeat Chorus 2x)

(Rap)
Is it E.S.P?
Of course it is
When you think about me
That's the way it is
We communicate
In harmony
At night when it's late
There's a frequency
When I'm tuning in
You're tuning out
It's a time to begin
What it's all about
Maybe one of these days
We'll materialize
In any different ways
What we fantasize
But don't you like to think
That it's more fun
When our minds our in a link
And our thoughts are on a run?
'Cause it's E.S.P.
Of course it is
When you think about me
That's the way it is

(Keyboard Solo)

(Repeat Chorus 2x)

(Keyboard Solo and Fade)
