Baby, you know that I'll never deceive you  
I'll never leave you  
I'll be here by your side  
But if you leave me  
Don't forget to write me  
Tell me all about the good times  
The one's we had  
They weren't so bad

Believe me when I say that I really love you  
I truly love you  
I'm right here by your side  
Baby, you please me  
When you're always near me  
When we're living for the good time  
When you're not sad  
You make me glad

(Chorus)  
Say you love me  
Say you love me  
Say you love me  
Say I do  
Say you love me  
Say you love me  
Say you love me  
Lo-ove you

Baby, don't worry, I'll always be near you  
I'll never leave you  
I'll be here by your side  
It won't be easy  
Baby, if you leave me  
I'll be looking for the good times  
The ones we had  
They weren't so bad

(Repeat Chorus 2x)

(Instrumental Break)

(Repeat Verse One and Two)

(Repeat Chorus and Fade)
