(Richard Buck)

I remember the night  
When I met you, baby  
We were sitting in the car  
Teenagers on summer holiday  
You looked into my eyes  
And said you were lonely  
So I would kiss you in the moonlight  
Stay close to you the night away

(Chorus)

I love you, I want you  
More than ever I treasure you  
I'll be sentimentally yours always

(Chorus 2)

Take me, take me  
Hold me in your arms  
Say you love me  
Touch me, touch me  
I want to feel it  
Deeper in my soul  
You're an angel of love  
And a sunshine of my life  
Girl, each time I hold you near me  
My heart is beating out of control  
I remember the night  
When I met you baby, baby

(Repeat Chorus 1)

(Repeat Chorus 2)

Baby...

(Repeat Chorus 2)

(Sax Solo)

(Repeat Chorus 1)

Sentimentally yours always  
Sentimentally yours...always
