(Denis LePage, F. Nickols, J.C. Charles)

Won't you hold me, baby
Come on, hold me tight
This is not a fantasy
It's a lovely night
Let me feel you, baby
Let me love you right
You will feel it close to me
I will do it right

(Chorus, Repeat 2x)

Baby, take my heart away
Can I be your one and only tonight?

(Bridge)

'Cause you, you are all alone
And I, I'm on my own
You see, babe, you're lookin' right
And I, I can't believe my sight

Are you ready for me
If the time is right?
Do you know that it could be
A celebrative night?
Let me love you, baby
Love you through the night
Can't you see what it should be
If everything goes right?

(Repeat Chorus)

(Repeat Bridge)

(Keyboard Solo)

(Instrumental Break)

Are you ready for me
If the time is right?
Do you know that it could be
A celebrative night?

Tonight

Tonight

(Repeat Bridge)

(Repeat Chorus 6x)
