(Denis LePage, Denyse LePage)

(Sax Solo)

Slow down, you're movin' much too fast
Wake, don't wanna be the last
Take the love that I've been offerin' you
Oh-oh-oh
Speed up, stay in the right direction
Wake up my appreciation
Take the love that I've been offerin' you

Oh-oh, baby

(Chorus)

To the right
To the right, baby
To the left
To the left, baby
Stay in line
Burnin' body, baby
Flowin' love emotion
Feelin' my dimension

Don't stop, don't break up this relation
Make it last in elevation
Take the love that I've been offerin' you
Oh-oh-oh
Okay, the feel of satisfaction
Makes this moment of emotion
Take the love that I've been offerin' you

Oh, baby

(Repeat Chorus)

(Instrumental Break)

(Repeat Verse 1)

Oh, yeah, yeah

(Repeat Chorus)

(Repeat Verse 2 and 1 with Ad-Libs)

Don't stop, don't break up this relation
Make it last in elevation
Take the love that I've been offerin' you
Yeah, yeah
Oh-oh-oh, okay
