(Denis LePage, Denyse LePage)

You're my one and only love
The girl that I adore
You and I am dreaming of
The girl I'm living for

(Pre-Chorus)

And I, I cannot forget
I can never regret
The feelings that you gave me

And if you belong to me
And I belong to you
Baby, tell me if you think
My love for you is true

(Repeat Pre-Chorus)

(Chorus, Repeat 2x)
True when you surrendered love
(You surrendered love)
When you gave all your love
(You surrendered love)
The way you gave me all of you

Babe, I know you really care
I feel it in my heart
The loving that we share
Will never be apart

(Repeat Pre-Chorus)

(Repeat Chorus 2x)

(Flamenco Guitar Solo)

(Repeat Chorus 2x)
