I am the constant chill
I am the versatile one
I am the God you loved
I am the addiction
I am inside
I am the constant chill
That moves up and down your spine
I am the versatile one
That moves in and out of your mind
I am the dark abyss
That haunts before your prayers
And i am the nemesis
That haunts in your nightmares
You can feel when I am inside
And you know that
I control you
I enslave you
I destroy you and leave you comatose
I am the God you love
That moves in and out of your veins
I am the addiction
That buries you in shame
You can feel when I am inside
And you know that
I control you
I enslave you
I destroy you and leave you comatose
I've wrapped these chains so tight
You can't break through
The smell of fear is so enticing
It's so enticing
There's nothing more that I love
Than to tear you apart
I am inside and you know that
I control you
I enslave you
I destroy you and leave you comatose
I've wrapped thses chains so tight
You can't break through
I am the constant chill
I am the versatile one

I am the God you loved
I am the addiction
I leave you comatose
