After years of endless torture
You try to come back
Likeness of an unwanted child, grow
Simplified case of defamation
You left her bleeding
Thrown out the window
I tried to compete to be the good one
I'll never understand (x3)
What the fuck did we ever do
To make you hate
Remaining scars of an unwanted child, lost
Justified, inebriate
Left me bleeding
Thrown out the window
I tried to compete to be the good one
I'll never understand (x3)
20 years of mind rape brings forth my hate
My hate derived from you, you mother fucker
