I was lost in time  
Feeling like the victim  
Of a perfect crime

Until that night I met you  
How was I to know just  
What your love could do

[CHORUS]  
Now I believe there  
Has been a change in me  
(You're always on my mind)  
Yeah, I believe that it  
Was meant to be  
(It will all work out in time)  
Can't you see  
I believe in you and me

In the dark of night  
We can be what  
We would like to be  
And it's all right

When it's you  
You and me, girl  
Well, I feel like we're  
The only people in the world

[Repeat CHORUS]

It's so easy  
So damn easy to see  
The way I feel for you  
And you for me

Now I believe there  
Has been a change in me  
Yeah, I believe that it  
Was meant to be

Can't you see  
I believe in you and me

(You're always on my mind)

Oh, can't you see  
I believe in you and me  
(It will all work out in time)

Oh, can't you see  
I believe in you and me  
(You're always on my mind)

Oh, can't you see  
I believe in you and me
