NOTHING REMAINS!

I shout these words  
To those who never listened  
I pen this letter with the utmost conviction  
It's been dark in here  
Cold and relentless  
It's been too long  
I can no longer fight this  
Too late to change my mind  
Nothing remains  
I've silenced the pain

All these years passed  
No one heard my true feelings  
You continued to act like you knew me  
Did you ever stop to think that I'd be able  
To look in your eyes and say that I'm stable?  
Too late to change my mind  
Nothing remains  
I've silenced the pain

Don't tell me, that I am taking the easy way out  
Don't tell me, that I am taking the easy way out

NO

No underlying message to figure out  
What you got from me is what I put out  
(x2)

No one knew a thing about me  
Just longing to be accepted  
Wait 'til you see what I've become

My lifelessness  
(x2)

Too late to change my mind  
(x2)

Nothing remains  
I've silenced the pain  
(x2)
