I sit here and wonder  
I wonder what's out there  
I wonder what's out there?  
I hope they can hear me (3x)  
Chorus  
I'm making plans for the great escape  
The great escape from here  
I'm taking off for a better place  
And better people who care  
And no-one can hear me  
No one can hear me (2x)  
There's light and there's dark  
And sometimes I just can't tell them apart  
I'd rather drink a wishing well  
If this is the way things are  
Chorus  
And no-one can hear me  
No-one can hear me (3x)  
No-one can see me  
And no-one comes near me  
No-one(4x)
